Product Details

Application:	Toys, Power Tools, Home Appliances, Consumer Electronics, Boats, Electric Bicycles/Scooters, Electric Wheelchairs, Electric Power Systems, Uninterruptible Power Supplies	Weight:	10g
Type:	Li-polymer	Specifications:	802035
Product Name:	High Discharge Battery	Capacity:	400mah
Voltage:	3.7v	Size:	H8mm*W20mm*L35mm
Temperature:	-20~45	Warranty:	12Months, 12months
OEM/ODM:	Yes	Scope Of Use:	Remote Control;uav;Model Airplane;
Anode Material:	NCM	Battery Size:	802035
The Charging Ratio:	4.25v	The Discharge Rate:	2.75v

Product Description

Product Description

No.	Item	Specifications	Remak
1.	Specifications(802035)	capacity:400mAh	0.2C Rate discharge after standard charge
2.	voltage	3.7V	Mean operation voltage during standard
3.	Voltage at end of discharge	3.3V	Discharge cut-off voltage
4.	Charging cutoff voltage	4.2±0.03V	
5.	Impedance	≤200mΩ	3.7v 400mah High power lithium battery
6.	Standard charging	Constant current 0.5C	
		Constant voltage 4.2V	
		Cut-off currents≤0.01C	
7.	Standard discharge	Constant current 0.2C	
		End voltage 2.75V	
8.	Fast charge	Constant current 1C	
		Constant voltage 4.2V	
		Cut-off currents≤0.02C	
9.	Fast discharge	Constant current 1C	
		End voltage 2.75V	
10.	Maximum continuous discharge current	1.0C	
11.	Operation	Charge: 0~45°C	60±25%R.H
	Temperature range	Discharge: -20~60°C	
12.	Maximum discharge continuous current	25C	
13.	Storage temperature	-20 ~ 45°C	
14.	Weight	14g	

15.	Dimension(mm)	Height*Width*Length	8*20*35(mm)
-----	---------------	---------------------	-------------

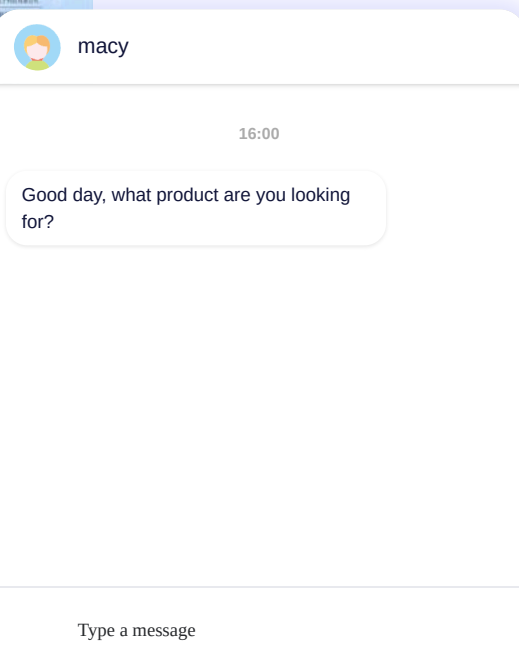

Reasons for choosing

- 1.We not only supply lithium batteries, but also provide customers with various solutions.
- 2.High capacity and high density lithium ion battery.
- 3.Stable battery performance and high utilization rate.
- 4.Green environmental protection materials, safe and pollution-free.
- 5.Battery short circuit protection, safe to use.
- 6.Factory price.
- 7.Models complete, can be customized according to customer requirements.

Certifications

Company Information

COMPANY PROFILE

Our company has been specialized in battery industry for 20 years. With 15 years of design and development experience, our products have been exported to hundreds of countries and regions.

We specialize in the production of various types of polymer lithium batteries, mobile power cells, tablet batteries, P3 \ 4 \ 5, Bluetooth batteries, 18650, lithium battery packs, etc. we can develop and produce according to customers' requirements!

Our company has a large number of models, a large number of stock products for sale, can be customized model according to customer requirements, the strength of the manufacturer is guaranteed, the quality and benefit are both excellent, and the supply is sufficient!

If you can't see the model you need in our website, you can contact us, we will help you find the right model or arrange customization! Welcome to talk in detail!

COMPANY PICTURES

Our Advantages

We have 15 years of design and development experience, and our products are exported to hundreds of countries and regions. We are mainly engaged in all kinds of polymer lithium batteries, battery packs, etc.

FAQ

FAQ

Q

Do you provide samples ?

A

Yes, we could offer the sample.

Q

How long is your delivery time?

A

Generally it is 5-7 days, it is according to quantity.

Q

How do you ship the goods and how long does it take to arrive?

A

It usually takes 5-7 days to arrive. Airline and sea shipping is also optional.

Q

How to proceed with an order?

A

Firstly let us know your requirements or application. Secondly, We quote according to your requirements or our suggestions. Thirdly customer confirms the samples and places a deposit for formal order. Fourthly We arrange the production.

Q

Is it OK to print my logo on the product?

A

A.Yes. Please inform us formally before our production and confirm the design firstly based on our sample.

Q

What is your terms of payment ?

A

For bulk order,30% T/T in advance ,balance 70% before shippment. For sample order,100% payment before production.

Q

How about warranty?

A

1 year warranty.If you have any questions when using just feel free to contact us,we have 24 hours service.
